

Spatial-Temporal Scale		Temporal Scale (T):	Hourly	Daily	EHE/ECE days only	Yearly	Entire study period
Spatial Scale (S):		Scale Code	000	001	002	102	902
Administrative boundaries	States	150			EHMI intensity ECMI intensity	EHE frequency ECE frequency	Stacked vector layer
	Counties	190			EHMI intensity ECMI intensity	EHE frequency ECE frequency	Stacked vector layer
Census boundaries	Tracts	201			EHMI intensity ECMI intensity	EHE frequency ECE frequency	Stacked vector layer
EHE/ECE vector boundaries	Spatial geometries	400			Surface area	Stacked vector layer	Stacked vector layer
Dissolved binary grid	EHE	401			EHE area	EHE frequency	EHE frequency
	ECE	402			ECE area	ECE frequency	ECE frequency
	EHCE	403			ECE/EHE areas	Combined frequency	Combined frequency
Interpolated grid surfaces	500x500 cells	526			EHMI intensity	Stacked intensity layer	Stacked intensity layer
Covering Continental US, processed for each single day			ECMI intensity	Stacked intensity layer	Stacked intensity layer
